Greetings From Your Exalted Ruler John Stevens, PER

Grand Lodge was in Orlando Florida and I was privileged to attend the 147th session of the grand Lodge representing your Lodge. It was good to get "RE-ELKED" and to meet with Exalted Rulers from around the country. I voted on 14 resolutions and a copy of these resolutions and the results of the voting is contained in the secretary's office. One of the biggest things that I came away with that there will be changes in ELKDOM within the next year. The Grand Lodge wants to look at the whole structure of the order and asking for inputs to any changes that the members want to see. They want to attack this subject from the bottom up. Recommendations for change are to be sent to the Grand Secretary (he stated he will take them any way they are sent. These changes will then be reviewed by the Past grand Exalted Rulers and will be presented for action by the members at the next grand Lodge session in Phoenix in 2011. The new grand Exalted Ruler is Michael Smith from Florida. He has adopted Promote Elks Passion, **PEP**, as his slogan for the coming year and I am sure that we will see this throughout the year. He too addressed the time for change and this is definitely a theme for the coming year and is your opportunity to make your thoughts and ideas heard.

The summer heat is in full swing now and we all have gone through these 100 plus days but it will soon be fall and what a busy fall season we have in front of us. The first thing is we need to start collecting school supplies as we have done in previous years. Drop off your donations at the Lodge and we will be sure to get them to the schools. In these times of budget cuts there is no doubt they will need these supplies more than ever, especially some of our more disadvantaged areas. So show that Elks Care Elks Share. We need volunteers also to serve on our committees to make the programs a success. Also kicking off the fall season will be the DD annual visit on 7 September. I would like to have a large number of our members there for the meeting that evening.

The House committee has been working hard to improve the bar/lounge area and the kitchen. We still volunteers to help us continue with our Friday night dinners and volunteer bartenders for Saturday afternoon. You will see elsewhere in the bulletin changes to the birthday dinner. I ask again what do you want to see and what would you like to make this a place to come and be with your friends. Speaking of changes the modernization committee needs additional time to complete their task and provide you the members with a series of recommendations to better improve the appearance of your lodge. They need to flush out what they have done so far to provide the details necessary to make clear choices.

Lets have FUN in your Lodge!!!

PER John Stevens,
Exalted Ruler

As your Leading Knight, I'm in charge of the School Supply Program this year. School will be starting soon. There are flyers in several places at the Lodge so please take a look at them when you are there the next time to see what you can do to help.

Some of the supplies we need are: wide-ruled paper, #2 pencils, crayons (I suggest the 24 ct boxes), plastic rulers, blunt end scissors, school glue, and boxes of facial tissue. They can also use backpacks.

Also, the Dictionary Program is beginning again with School starting. Please consider making a donation to the Dictionary Program, as we will have many more 3rd graders who need Dictionaries.

Dona Hoesly,
Leading Knight

Community Activities James Matthews, Loyal Knight

The Flag Retirement Ceremony is scheduled for September 11th. Once again the Boy Scouts and Cub Scout will be performing their Ceremony in addition to our own. Please, all of you who can, come to the Lodge and show your respect for this very moving ceremony. If you have not seen the Scouts Ceremony you don't know what you are missing.

I am working on some community events that will draw attention to our lodge and bring in new members. If you have any ideas please email me at sales@aviationservicesdirectory.com or call 987-3226.

Please do not fill my email box with jokes only lodge business..... See you at the meetings.

James Matthews,
Loyal Knight

Greetings From the Secretary Bill Wiseman, PER

As of 31 July we have 215 members with 29 delinquent. We will be bringing in five new members for the months of August and September. For those of you that have not paid your 2010-2011 dues, please get them in as soon as possible. Remember your dues are part of our budget and are needed to help keep the Lodge healthy and growing. If it has just slipped your mind please send your dues. If you have a problem or an issue with the Lodge, its Officers or its Members that is preventing you from paying your dues, please come talk to us so we may resolve the issues and get on with the great work of Elksdom. Sponsors look at the list of delinquents if you see an individual on the list you sponsored, please contact the individual and encourage them to bring their dues current.

Once again I ask all committees to get your reports in to me. In order to make my job easier please keep records of any hours that you may volunteer or mileage driven and turn into myself or Exalted Ruler John Stevens so that we may get credit for them.

We need your help, see if there is a committee you would feel comfortable with lending a hand. The biggest contributions you can make towards the betterment of the Lodge is to step-up and participate. Remember this is your Lodge; it is imperative that each and everyone of you become active in **your** Lodge to keep it growing and stable. As I have stated over the past five years **"One Member Can Make a Difference"** - please be that member. **We need your involvement and help to keep this Lodge and the Order viable and growing!**

Fraternally
Bill Wiseman, PER

HOUSE COMMITTEE

We are still looking for volunteer bartenders for Saturday afternoons. You do not need any experience and it is a great way to meet our members as well as visitors. We will train and show you all you need to know, it is not difficult!!

We need help and volunteers to prepare the Friday Night dinners. We are getting the parts to prepare the ovens though there is still plenty of oven space to prepare quality meals.

The Lodge has had a rash of needed repairs to include the ovens, replacement of a compressor for the walk-in cooler, a problem has occurred with the drain in the bar and the camera and monitor for the front door has failed. We are working with the Trustees get all these up and running again. Now all we need is to have more members stop by and say hello! Our bartender Pat gets lonely!!

PER John Stevens,
Chairman

Membership Committee News, Bill Wiseman

Treasurer's Report Richard Letendre

August is typically a slow month for the Lodge. If you are out shopping stop by we can use your participation!

A reminder to everyone if you do not have a Blue Pig at home please come by the lodge and pick one up. With your hard work and participation I know 2010-2011 will be a banner year. Come join us for the pig roast. It is always a fun event.

Fraternally,
Richard Letendre

Trustee's Report Jack Waldock, Chairman

As if it were planned, the Lodge, during July, incurred the cost of replacing front door parts including the big bar on the inside door and a new compressor for the walk-in cooler. Now in July we are having to correct a major plumbing drainage problem behind the bar. You may recall we made reference to the age of our assets in last months bulletin comments. The total cost will be in the thousands of dollars. Because of the age of the assets, this is to be expected.

We have set-up several preventative maintenance programs and are looking into others. Once again, we need your input and support whenever possible.

The Trustees meet the fourth Tuesday of each month. Each of you are welcome set in if care to.

Fraternally,
Jack Waldock

Attention!

We need to start thinking about our **Food Basket** program for Thanksgiving and Christmas. It seems like a long way off, but it is not when you consider the amount of time it takes to gather all the food necessary to fill the baskets for these needy families. We need to remember

Elks Care - Elks Share

Put PEP in your step: 'Promote Elks Passion'!

It's all good!

Sandra and I are anxious to begin our journey to share the great works of our Order and meet its great Members and spouses. Our experience in Orlando was "magical," and we appreciate all of the support. We cannot describe the feeling, the honor, or the humility I feel for the opportunity to serve as the National President of the Benevolent and Protective Order of Elks of the United States of America.

We each have the privilege of being a Member of the best fraternal organization in the country. My hope and motto is that you "Promote Elks Passion." Our membership is a privilege; promoting our good works is an obligation. My intent is to help you evaluate and escalate the level of activity in promoting

Message from The Grand Exalted Ruler

Hon. Michael F. Smith

our Order. Too many times we have heard, "I did not realize Elks did that." The opportunities we have with our veterans, youth and community service often go unnoticed and in many cases, even within our own membership. In these tumultuous times it is nice to know we can make an improvement in someone's life through Elks programs without a significant, if

any, expense. I firmly believe we became Elks because "Elks Care - Elks Share."

We find ourselves a third of the way into our Lodge year, and we need to focus on our objectives: Improve someone's life, improve your local Lodge, and improve our Order and it will improve you.

Our per capita goal for Elks National Foundation for 2010-2011 is \$4.50. By this point, you should be close to that goal or have passed it. Your ENF donations provide the fuel for our Order.

Sandra and I thank all of you for your support and hope to see you soon. As you go about your daily activities, share our story and "Put some PEP in your step - Promote Elks Passion."

ENF Marty Lange, Chair

We have surpassed the Grand Exalted Ruler's goal of \$4.50 per capita. With each one of us contributing to this great cause we can make this a banner year.

Please mark your calendar for 1 October 2010 the Elks National Foundation annual silent auction. The fundraiser is mandatory, so let's make it a good one. Now is the time to start looking for items that can be donated to the auction. As you travel this summer on your vacation keep an eye open to items that will sell at the auction. Remember the money earned from the items donated all goes to credit your account. Come join us we will have a lot of fun.

Bill Wiseman will be cooking Swiss Steak, mashed potatoes and gravy with a fresh peas and carrot medley. The ladies will be providing an assortment of homemade salads and deserts.

Fraternally,
Mary Lange

Sickness and Distress Leslie Smith, Lecturing Knight

PER Bill Obszanski is continuing the recovery process from defibrillator implanted to assist with an inoperable blockage issue. Luther Freeman is under Hospice Care at the Heights of Summerlin, 10550 Park Run Drive. He has cancer and very little time left. His children call frequently, his daughter, Marta, calls daily from Italy. He could use a friendly visit or even a short phone call (515-6200). Luther enjoys reminiscing his days as a Civil Engineer in Eugene Oregon.

From our hearts to theirs.

PER News Bill Wiseman, PER

PER meetings are scheduled for the second Tuesday of each month at 7:00 PM. All PERs affiliated with Henderson/Green Valley Elks Lodge are urged to attend. We need your assistance and expertise.

I know it seems a bit early to be talking about next years officers and committees, but February will be here sooner than you may think. If any of you have a desire to become an officer, a committee chair or a committee member please contact any of the PER Association members. Now is a golden opportunity to work with the present officers and committees to see what it is all about. This will permit you to become more comfortable with the duties of these positions and hopefully encourage you to become more involved in the coming year. You will find it is not that difficult and the PERs are here to help you alleviate your concerns and misgivings.

Remember the 3rd Friday of each month is our PER Steak Dinner. Best steak in town cooked to perfection, by you.

Due to scheduling difficulties we are sorry to report the PER's will not be holding the Crab Crack as planned for September 18th. We will be focusing our energy on the annual Pig Roast scheduled for October 16th. We will be having the Randy Anderson Band back this year. We encourage your participation. Bring your friends and neighbors to this fun filled event. We are looking for donations of quality raffles and door prizes. If you have any ideas please contact myself or any of the PER's

Cub Pack 304 Rain Gutter Regatta

If of you missed the Pack 304's Rain Gutter Regatta you missed out on a fun filled event. The regatta was the first under the oversight of the Pack 304's new Cubmaster, Phillip. There were 85-90 adults, Cubs and siblings present. The boys range in age 7-10 and are all very competitive, but at the end of the day they are all winners in my book.
