Greetings From Your Exalted Ruler John Stevens, PER

The Flag Retirement Ceremony held on 12 September, Patriot Day, went very well and was well attended by both Elks and non-Elks to include a representative from the State Assemle and representatives from the city council and the Police Department. A big thank you to Steve Bazar for all of his help and coordination,

October will be a very busy month for us. First of all this is ENF month and will be kicked off with the annual silent auction and dinner on Friday 1 October. All proceeds will go to ENF! The birthday dinner is being shifted to the second Friday of the month for this month only. On 16 October we will be holding our annual Pig Roast. At this event all proceeds go to the State Major Project, Safe Haven. Also event is the calling of the Blue Pigs so PLEASE bring in your Blue Pigs well fattened with your change. We will have live music, raffles and a GOOD TIME!! On Friday 22 October we will host the Nevada State Elks Association President Gary Ferguson. This will be a Prime Rib dinner and a fun evening is being planned. I urge all of you to come out and support these big events in your Lodge.

After a great deal of thought and study we have had to lay off our paid bartender as the volume of business was not sufficient to justify the wages being paid for his effort. Pat did an excellent job and we will miss his efforts around the Lodge. **Good job Pat!** We still need to keep the Lodge open and the plan is to do it with volunteer bartenders. We will stay open from 1:00 PM to 9:00PM Tuesday through Friday and we urgently need volunteers to sign up for a shift – you can work either a full shift or a partial shift and we can train anyone on how to do the basics. It is simple to do and is a great opportunity to meet other Lodge members. If you are interested please contact me on my cell phone. We need your help as a couple of officers cannot do it alone!!!

By the time you read this the school supplies will have been distributed, thanks to those who donated. We will shortly begin distribution of the dictionaries. Dona, the Leading Knight, will need your help in going to the schools for this project. We will be presenting flags to new citizens on the first two Fridays in October – we need volunteers to perform this important community service. Please call if you would like to participate. Coming up in November will be our annual Thanksgiving food basket program and we will start taking donations of food items at any time. We try to cover approximately 15 families each year.

As you can see we are very busy the next few months and really need your help to complete all of these programs to reflect credit on Henderson Green Valley Lodge 2802 and the Elks.

Lets have FUN in our Lodge!!!

PER John Stevens,
Exalted Ruler

**New Henderson/Green Valley Website
elks2802.org**

Thanks to Bill Wiseman we have a new website and our own domain name. This site is not connected to the Grand Lodge servers as such it is much more responsive. The site contains a number of photo albums, a much improved Calendar and Guest Book and a online Membership Application. It has a larger Veterans section including Veterans Service, Adopt-A-Vet, Medal of Valor and photo albums. It provides more information on Community, Lodge and Youth Activities including photo albums.

The last ten months, including this issue, of the ChronELKle are posted for your enjoyment. The Contact Us page now includes a map to our Lodge.

You will find the content both informative & useful!

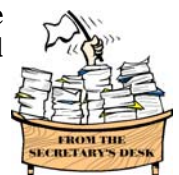

**Greetings From the Secretary
Bill Wiseman, PER**

As of 30 September we have 213 members with 27 delinquent. We have four new members waiting balloting and/or initiation for the month of October. For those of you that have not paid your 2010-2011 dues, you are now six months past due. Remember your dues are part of our budget and are needed to help keep the Lodge healthy and growing. The lodge has already spent \$18 per capita assessment fees and \$6 for the Bulletin for each of you. That now amounts to over \$1000 of lost income. If you have a problem or an issue with the Lodge, its Officers or its Members that is preventing you from paying your dues, please come talk to us so we may resolve the issues and get on with the great work of Elkdom. Sponsors look at the list of delinquents if you see an individual on the list you sponsored, please contact the individual and encourage them to bring their dues current.

We need your help, see if there is a committee you would feel comfortable with lending a hand. We can always use help with the general maintenance of the building facilities. Attending Lodge functions, Friday night dinners, etc. in itself is a major contribution. The biggest contributions you can make towards the betterment of the Lodge is to step-up and participate. Remember this is your Lodge; it is imperative that each and everyone of you become active in **your** Lodge to keep it growing and stable. As I have stated over the past five years **“One Member Can Make a Difference”** - please be that member. **We need your involvement and help to keep this Lodge and the Order viable and growing!**

Bill Wiseman, PER

HOUSE COMMITTEE

The House Committee has made several difficult but needed decisions regarding the operation of the bar. The bartender has been laid off, happy hours have been reduced to one, Thirsty Thursday, all complimentary drinks have been eliminated and we recently also raised the prices of the drinks. The dwindling bar income has been the reason for these actions and no we will be running the bar with volunteers only to allow us to become profitable enough to at least cover the expenses. As the cost of goods sold continues to increase there will be individual price increases as we progress through these difficult times.

We need volunteer bartenders to step forward so we can keep the club open as closing will only further aggravate the situation. I will do my share but cannot be there every day - **WE NEED YOUR HELP!!!!!!**

The bar has been closed each Saturday in July and August awaiting volunteers. We can teach anyone the basics in a few short minutes as we do not normally have requests for any exotic drinks as it is mostly beer and high balls. We can use you for a half shift or a full shift please call or contact me if you are willing to help your lodge.

On the more positive side the kitchen sales have improved and the kitchen is operating positively. Also the birth-day celebration on the first Friday started off well!!

PER John Stevens,
Chairman

Membership Committee News, Bill Wiseman

Treasurer's Report Richard Letendre

October and Fall is here it is beginning to cool down. Stop by the Lodge and tell about your Summer - we are interested.

A reminder to everyone if you do not have a Blue Pig at home please come by the lodge and pick one up. With your hard work and participation I know 2010-2011 will be a banner year. Come join us for the pig roast. It is always a fun event.

Fraternally,
Richard Letendre

Attention!

We need to start thinking about our **Food Basket** program for Thanksgiving and Christmas. It seems like a long way off, but it is not when you consider the amount of time it takes to gather all the food necessary to fill the baskets for these needy families. We need to remember

Trustee's Report Jack Waldock, Chairman

The Lodge continues to have difficulty achieving targets set out for the current fiscal year. Budget revisions will no doubt have to be made. Several expenditures and asset enhancements will have to be deferred until our cash flow improves.

The plumbing drainage problem behind the bar has been resolved, thanks to Bill Wiseman and Clint Courtney at a cost of \$400. This was a savings of \$3,200 from the quotes we received. Again thanks to the both of you.

As Trustees we are carefully following these matters and will keep you informed as we go. We have set-up several preventative maintenance programs and are looking into others.

The Trustees meet the fourth Tuesday of each month. Each of you are welcome set in if care to.

Fraternally,
Jack Waldock

Get involved ... And watch Elkdom grow!

In our visits to the states, Sandra and I are continuously amazed and impressed with all the wonderful work that is being done for and in the name of Elkdom. We appreciate the greetings and well wishes from everyone we meet.

As you are aware, it is National Foundation Month and I hope your Lodge fundraisers were successful in attaining the goal of \$4.50 per capita for the year. The Elks National Foundation is the Heart of Elkdom and your donations the lifeblood. Please encourage every Member in your Lodge to keep an active certificate.

Next month our focus will be on our Veterans Programs. Every community across our great nation should take some time to honor its military servicemen and women and recognize their families. What an opportune time to

Message from The Grand Exalted Ruler

Hon. Michael F. Smith

Adopt-A-Vet during the Veterans Appreciation month.

This month, "Promote Elks Passion" by getting others involved. Pep up your programs. Ask a friend, neighbor or co-worker to join your Lodge. They might be waiting for your invitation. If each Member contributes time, talent and/or resources, we will make a huge positive impact in our communities. If your

Lodge membership needs a boost, you should be the catalyst. Too many times we look to someone else to take care of things when we should accept the challenge. Increase your membership numbers for maximum impact in your community and everyone will benefit.

Many Lodges have a Red Ribbon Week this month to coincide with Drug Awareness Education. Be a volunteer and visit schools to hand out Elks Drug Awareness material to the students and help make a difference in a child's life. The more we can teach about the dangers of drug abuse, the safer our children. Their future depends on us.

With the many challenges facing us in these difficult times, it is imperative we communicate – Elks Can Make a Difference. Help us grow!

ENF Marty Lange, Chair

We have surpassed the Grand Exalted Ruler's goal of \$4.50 per capita. With each one of us contributing to this great cause we can make this a banner year.

Please mark your calendar for 1 October 2010 the Elks National Foundation annual silent auction. The fundraiser is mandatory, so let's make it a good one. Now is the time to start looking for items that can be donated to the auction. As you travel this summer on your vacation keep an eye open to items that will sell at the auction. Remember the money earned from the items donated all goes to credit your account. Come join us we will have a lot of fun.

Bill Wiseman will be cooking Swiss Steak, mashed potatoes and gravy with a fresh peas and carrot medley. The ladies will be providing an assortment of homemade salads and deserts.

Fraternally,
Mary Lange

PER News Bill Wiseman, PER

PER meetings are scheduled for the second Tuesday of each month at 7:00 PM. All PERs affiliated with Henderson/Green Valley Elks Lodge are urged to attend. We need your assistance and expertise.

I know it seems a bit early to be talking about next years officers and committees, but February will be here sooner than you may think. If any of you have a desire to become an officer, a committee chair or a committee member please contact any of the PER Association members. Now is a golden opportunity to work with the present officers and committees to see what it is all about. This will permit you to become more comfortable with the duties of these positions and hopefully encourage you to become more involved in the coming year. You will find it is not that difficult and the PERs are here to help you alleviate your concerns and misgivings.

Remember the 3rd Friday of each month is our PER Steak Dinner. Best steak in town cooked to perfection, by you.

We are now focusing our energy on the annual Pig Roast scheduled for October 16th. Entertainment will be provided by LUKE with a new addition of a sax player. We encourage your participation. Bring your friends and neighbors to this fun filled event. We are looking for donations of quality raffles and door prizes. If you have any ideas please contact myself or any of the PER's.

Our next project is the annual Parrot Head Party scheduled for 15 January. Tommy Rocker and his band will once again be providing the entertainment.

Fraternally,
Bill Wiseman,

***** Help Wanted *****

Veterans and Adopt-A-Vet Chairpersons needed: We are looking for someone to fill these very important positions. The Veterans Program is very important part of our Order. You will be interfacing with the local Veterans Organizations and the Boulder City Veterans Home. We need someone willing to help get us involved in the "Stand Downs" held twice a year in Las Vegas. We desperately need the same program in Henderson to help our homeless veterans.

Membership Chairperson needed: We are looking for someone to fill this position. This involves working with New Member Recruitment, Investigation and Lapsation.

Drug Awareness Chairperson needed: We are looking for someone to fill this very important position. The Drug Awareness Program is very important part of our Order. You will be interfacing with the local Schools and Lodge Youth Programs.

Committee Members needed: We are looking for interested members to participate on all committees for Lodge year 2010-2011.

Three Year Trustee needed: We need a 3-Year Trustee to fill the position that will be vacated by Dick DuPont due his relocation to Pahrump.

Part Time Bartenders needed: Hours 1-9 PM Tuesday through Friday and 12-6 PM Saturday. Remember we have only volunteer bartenders at this time, if we can not get help we will have to greatly reduce the hours we are open. We have already had to close on Saturdays as a result of no one volunteering. This is not a difficult task ... how difficult can it be to open a beer or add a squirt of mix to a shot of booze.

Friday Night Dinners: We are always looking for help with Friday Night Dinners. If you have a favorite meal you would like to share with the membership, please come volunteer to prepare it for the Lodge.
