Greetings From Your Exalted Ruler John Stevens, PER

Please review the calendar for all of the events that we have coming up in the next couple of months. If any of them interest you we certainly could use the help to be sure that we are successful in each of them and I urge you to attend as many of the events as possible. Right now we really need school supplies for the coming year and will be making distribution shortly

The District Deputy Grand Exalted ruler will be conducting his annual audit and review of the Lodge and the conduct of the initiation ritual on 7 September. I am looking for a large turnout of our members to welcome him and support your officers as they perform the initiation ritual.

We have been hit recently with a large number of maintenance problems recently and that have hit our maintenance and repair budgets hard. These include oven repairs, replacement of the compressor for the walk in cooler, replacement of the panic bar on the front door, repairs to the drain behind the bar, failure of the security monitor and now the failure of one of the TV sets behind the bar. Further, income continues to decrease from the budgeted income while many of our expenses remain fixed.

Through the House Committee the following actions have been taken to help reduce costs and assure we are financially sound. We have laid off the paid bartender and will be running the bar with volunteers – need any help you the members can provide here as we really want to remain open. Many of the recent weeks the bar gross was less than the wages owed to the bartender. Pat had been a real asset and done a great job and we really hated to see him go but we had no other choice. We have also stopped the Friday and Saturday Happy Hours and ceased providing any free drinks though at least for the time being we will continue with the Thirsty Thursday promotion.

What can you do to help turn this around? One thing would be increase **attendance** at our dinners and functions. We also need volunteer bartenders to perform a shift or even a half shift – one person cannot do it all.

Our Flag retirement ceremony is scheduled for Saturday 11 September. The scouts really do an impressive job with this each year and I am sure that this year will be no different. Please plan to attend. Also for those with a birthday in September and October be on the lookout for your invitation in the mail. The dinner in August was a great success.

If your name appears on the delinquent list elsewhere in the bulletin I encourage you to renew your membership. If you want to discuss why you have let your membership lapse please contact me at the number included elsewhere in this bulletin.

If you any suggestions on how we can improve the Lodge and make it a place you want to come to more often please contact me.

Lets have FUN in your Lodge!!!

PER John Stevens,
Exalted Ruler

From Your Leading Knight Dona Hoesly

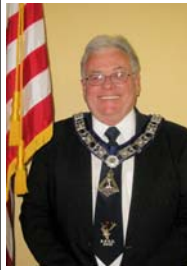

As your Leading Knight, I'm in charge of the School Supply Program this year. There are flyers in several places at the Lodge so please take a look at them when you are there the next time to see what you can do to help.

Some of the supplies we need are: wide ruled paper, #2 pencils, crayons (I suggest the 24 ct boxes), plastic rulers, blunt end scissors, school glue, and boxes of facial tissue.

Dona Hoesly,
Leading Knight

Community Activities James Matthews, Loyal Knight

The Flag Retirement Ceremony is scheduled for September 11th. Once again the Boy Scouts and Cub Scout will be performing their Ceremony in addition to our own. Please, all of you who can, come to the Lodge and show your respect for this very moving ceremony. If you have not seen the Scouts Ceremony you don't know

what you are missing.

See you at the meetings.

James Matthews,
Loyal Knight

Greetings From the Secretary Bill Wiseman, PER

As of 31 August we have 215 members with 28 delinquent. We have brought in five new members for the months of August and September. For those of you that have not paid your 2010-2011 dues, please get them in as soon as possible. Remember your dues are part of our budget and are needed to help keep the Lodge healthy and growing. If it has just slipped your mind please send your dues. If you have a problem or an issue with the Lodge, its Officers or its Members that is preventing you from paying your dues, please come talk to us so we may resolve the issues and get on with the great work of Elkdom. Sponsors look at the list of delinquents if you see an individual on the list you sponsored, please contact the individual and encourage them to bring their dues current.

Once again I ask all committees to get your reports in to me. In order to make my job easier please keep records of any hours that you may volunteer or mileage driven and turn into myself or Exalted Ruler John Stevens so that we may get credit for them.

We need your help, see if there is a committee you would feel comfortable with lending a hand. The biggest contributions you can make towards the betterment of the Lodge is to step-up and participate. Remember this is your Lodge; it is imperative that each and everyone of you become active in **your** Lodge to keep it growing and stable. As I have stated over the past five years **"One Member Can Make a Difference"** - please be that member. **We need your involvement and help to keep this Lodge and the Order viable and growing!**

Fraternally
Bill Wiseman, PER

HOUSE COMMITTEE

The House Committee has made several difficult but needed decisions regarding the operation of the bar. The bartender has been laid off, happy hours have been reduced to one, Thirsty Thursday, all complimentary drinks have been eliminated and we recently also raised the prices of the drinks. The dwindling bar income has been the reason for these actions and no we will be running the bar with volunteers only to allow us to become profitable enough to at least cover the expenses. As the cost of goods sold continues to increase there will be individual price increases as we progress through these difficult times.

We need volunteer bartenders to step forward so we can keep the club open as closing will only further aggravate the situation. I will do my share but cannot be there every day - **WE NEED YOUR HELP!!!!!!**

The bar has been closed each Saturday in July and August awaiting volunteers. We can teach anyone the basics in a few short minutes as we do not normally have requests for any exotic drinks as it is mostly beer and high balls. We can use you for a half shift or a full shift please call or contact me if you are willing to help your lodge.

On the more positive side the kitchen sales have improved and the kitchen is operating positively. Also the birthday celebration on the first Friday started off well!!

PER John Stevens,
Chairman

Treasurer's Report Richard Letendre

September is typically cooling down and vacationers are coming home. While you are out shopping for supplies stop by the Lodge we can use your participation!

A reminder to everyone if you do not have a Blue Pig at home please come by the lodge and pick one up. With your hard work and participation I know 2010-2011 will be a banner year. Come join us for the pig roast. It is always a fun event.

Fraternally, Richard Letendre

Trustee's Report Jack Waldock, Chairman

The Lodge continues to have difficulty achieving targets set out for the current fiscal year. Budget revisions will no doubt have to be made. Several expenditures and asset enhancements will have to be deferred until our cash flow improves.

The plumbing drainage problem behind the bar has been resolved, thanks to Bill Wiseman and Clint Courtney at a cost of \$400. This was a savings of \$3,200 from the quotes we received. Again thanks to the both of you.

As Trustees we are carefully following these matters and will keep you informed as we go. We have set-up several preventative maintenance programs and are looking into others.

The Trustees meet the fourth Tuesday of each month. Each of you are welcome set in if care to.

Fraternally,
Jack Waldock

Attention!

We need to start thinking about our **Food Basket** program for Thanksgiving and Christmas. It seems like a long way off, but it is not when you consider the amount of time it takes to gather all the food necessary to fill the baskets for these needy families. We need to remember

Elks Care - Elks Share

We must share what we represent as Elks

We're off and running

Hopefully by this date, your Lodge is progressing with its goals for the year. Our Elks National Foundation goal of \$4.50 per capita should be behind you unless your membership is working hard to set a record. Please remember October is Elks National Foundation Month. Your contributions fuel our Order and its programs. Once your Lodge attains the per capita goal, remember to apply for the \$1,000.00 Gratitude Grant.

Having passed a third of the way through the Lodge year, we should have our Lapsation Committees fully revved up. NOW is the time to personally contact those valuable Members who have not yet paid their dues. Our Members need a purpose, and I would like to ask all Officers to help our Members identify an inter-

Message from The Grand Exalted Ruler

Hon. Michael F. Smith

est and help them become involved. Our Order has a large variety of ways to touch peoples' lives positively. Support your State's Major Project. Your heart will swell with pride.

Promote Elks Passion and others will follow. Make it fun and fulfilling while spreading our good works.

According to an Edmonds Consulting survey, 71 percent of the respondents in a public

poll were not familiar with our Order and the charitable works we provide. We must stop keeping our works a secret.

As the District Deputies make their Lodge visits, make their jobs easier by making your Lodge better. Have your manuals available, records current and your facility at its best. Put a smile on your Officers' and Members' faces. Feel good about being part of this phenomenal charitable organization. Each of us has the opportunity to share some kindness and do some good. Share the works of our Order and let everyone know what we promote.

As Sandra and I travel, we see so much goodness among our Members. We must share what we represent. Feeling good and doing good are contagious. **BE PROUD ... BE LOUD ... BE VISIBLE!**

ENF Marty Lange, Chair

With have surpassed the Grand Exalted Ruler's goal of \$4.50 per capita. With each one of us contributing to this great cause we can make this a banner year.

Please mark your calendar for 1 October 2010 the Elks National Foundation annual silent auction. The fundraiser is mandatory, so let's make it a good one. Now is the time to start looking for items that can be donated to the auction. As you travel this summer on your vacation keep an eye open to items that will sell at the auction. Remember the money earned from the items donated all goes to credit your account. Come join us we will have a lot of fun.

Bill Wiseman will be cooking Swiss Steak, mashed potatoes and gravy with a fresh peas and carrot medley. The ladies will be providing an assortment of homemade salads and deserts.

Mary Lange

PER News Bill Wiseman, PER

PER meetings are scheduled for the second Tuesday of each month at 7:00 PM. All PERs affiliated with Henderson/Green Valley Elks Lodge are urged to attend. We need your assistance and expertise.

I know it seems a bit early to be talking about next years officers and committees, but February will be here sooner than you may think. If any of you have a desire to become an officer, a committee chair or a committee member please contact any of the PER Association members. Now is a golden opportunity to work with the present officers and committees to see what it is all about. This will permit you to become more comfortable with the duties of these positions and hopefully encourage you to become more involved in the coming year. You will find it is not that difficult and the PERs are here to help you alleviate your concerns and misgivings.

Remember the 3rd Friday of each month is our PER Steak Dinner. Best steak in town cooked to perfection, by you.

Due to scheduling difficulties we are sorry to report the PER's will not be holding the Crab Crack as planned for September 18th. We will be focusing our energy on the annual Pig Roast scheduled for October 16th. Entertainment will be provided by LUKE with a new addition of a sax player. We encourage your participation. Bring your friends and neighbors to this fun filled event. We are looking for donations of quality raffles and door prizes. If you have any ideas please contact myself or any of the PER's

***** Help Wanted *****

Veterans and Adopt-A-Vet Chairpersons needed: We are looking for someone to fill these very important positions. The Veterans Program is very important part of our Order. You will be interfacing with the local Veterans Organizations and the Boulder City Veterans Home. We need someone willing to help get us involved in the "Stand Downs" held twice a year in Las Vegas. We desperately need the same program in Henderson to help our homeless veterans.

Membership Chairperson needed: We are looking for someone to fill this position. This involves working with New Member Recruitment, Investigation and Lapsation.

Drug Awareness Chairperson needed: We are looking for someone to fill this very important position. The Drug Awareness Program is very important part of our Order. You will be interfacing with the local Schools and Lodge Youth Programs.

Committee Members needed: We are looking for interested members to participate on all committees for Lodge year 2010-2011.

Part Time Bartenders needed: Hours 1-9 PM Tuesday through Friday and 12-6 PM Saturday. Remember we have only volunteer bartenders at this time, if we can not get help we will have to greatly reduce the hours we are open. We have already had to close on Saturdays as a result of no one volunteering. This is not a difficult task ... how difficult can it be to open a beer or add a squirt of mix to a shot of booze.

Friday Night Dinners: We are always looking for help with Friday Night Dinners. If you have a favorite meal you would like to share with the membership, please come volunteer to prepare it for the Lodge. This can be a very rewarding experience.

2010-2011 SCHEDULED EVENTS

The following is a list of Functions/Events scheduled for lodge year 2010-2011. We need your participation and help to make this a successful year for our lodge. We can always use help with decorating, cooking, cleanup, ticket sales, etc. Of course your attendance is always appreciated, this shows your true appreciate for all the hard work that goes into these events by the volunteers.
